

PRECISION MANUFACTURING LLC

Technology for the 21st Century

To whom it may concern:

Ed's Precision Manufacturing LLC is strongly recommending Trilogy Solutions Construction LLC as a general contractor. It's been our pleasure to work with Allyn Watkins on several projects since 2010.

Throughout the course of our construction/projects, Trilogy Solutions Construction LLC have been professional, accurate, and executed with extreme detail. Our projects have been done with great care and precision. In addition, their employees are pleasant to work alongside with and maintain professionalism throughout the projects.

Without any hesitations, we will soon work with Trilogy Solutions Construction LLC in the near future.

Thank you,

Ed DeCora
