

Trilogy Solutions Construction, LLC
9420 Cossey Rd., Ste. #300
Houston, Texas 77070
Attn: Mr. Allyn Watkins

Dear Mr. Watkins:

It was a pleasure doing business with your company on my project. It is not often that as a civil engineering consultant that I have the opportunity to work with a construction company that has true knowledge of civil engineering as well as civil architecture.

I will recommend you to all my clients for future construction projects

Best regards,

Milton D. Konstantin
President
